

SMITH FERTILIZER & GRAIN

Smith Fertilizer & Grain is currently seeking qualified interns to join our agronomy department. Our company consists of five locations providing full-service agronomy work across south-central Iowa. The ideal intern will preferably be studying for a degree in agronomy, although others will be considered. They will be at least 18 years old and possess a valid driver's license.

Interns will use company tools, including iPads, pickups, and ATVs. The internship will last through the 2023 growing season, typically mid-May through mid-August.

**General Duties:**

- Project a positive attitude to customers and coworkers at all times.
- Provide outstanding and courteous customer service.
- Continuously follow safety guidelines and programs established by SFG.
- Work closely with our agronomy team to ensure a high level of customer service.

**Agronomy Interns:**

- Monitor customer fields for insects, weeds, and diseases.
- Assist with SFG Answer Plots.
- Collection and tracking of tissue samples.

**Operations Interns:**

- Operate crop monitoring equipment and technology.
- Learn about facility repair, maintenance, and operations.
- Visit all SFG locations and participate in each location's operations.

**Requirements:**

- Valid driver's license
- Excellent work ethic
- Ability to occasionally lift and carry 50 – 100 lbs.
- Currently pursuing a degree in Agronomy, Agronomy Operations, or a related field.

**Application Method:**

1. Download and complete the Office Application found at <https://www.sfgiowa.com/Careers/Apply-Online>. Submit the application online and select the position you are applying for.
2. Completed applications may also be emailed to [DerrickH@SFGIowa.com](mailto:DerrickH@SFGIowa.com).
